In your opinion, what changes would make the most significant improvement in the academic success of student-athletes, keeping in mind the questions listed above?

- All athletes to have an academic advisor to make sure they have a schedule for their work and that they get their work done
- Having the news academic advisor.
- Monitor study hall more
- Teacher be more understanding of the struggle we face with traveling and balance sport and classes
- Let us take more classes in the summer so that we can focus more in our sport
- Study hall tutors
- Make student athletes go to class.
- Having wifi on all the buses to allow us to complete homework while travelling
