2018-19 Student-Athlete Exit Interview

The Eastern Michigan Department of Athletics is administering this exit interview survey with student-athletes who are graduating and/or exhausting athletics eligibility or those who are no longer a member of a team, to gather feedback that will enable us to improve and enhance the experience for those student-athletes who follow.

Your individual responses will be reviewed by our sport administration team, but will not be shared with coaches or staff. The data will be analyzed for trends that will help to improve the overall student-athlete experience.

Thank you for your candid feedback and all of your contributions to EMU Athletics.
