

# Student-Athlete Exit Survey 2018-19

---

## Start of Block: Default Question Block

Q69 NCAA Bylaw 6.3 requires that Division I institutions conduct exit surveys with student-athletes who have completed their eligibility. We are requesting your cooperation by completing this on-line survey. At your request you may opt to participate in a personal interview with an Athletics Administrator and/or Faculty Athletics Representative. Your responses will remain confidential, however we will need to document your participation only in order for you to receive your graduation stole. Upon full completion of the survey academics will award your stole prior to your graduation ceremony.

If you have any questions please contact Danielle Daniel, Assistant Athletics Director for Administration.

This survey will take approximately 15 minutes to complete.
