Subject: Exit Interview

Hello ██████████, ██████████, ██████████, and ██████████,

This is Dr. Agard the faculty athletic representative. First, congratulations on your upcoming graduation. As I mentioned at your recent team meetings, I wanted to reach out to each of you and invite you to meet with me (individually) for a simple enough exit interview. I hope this occasion would allow each of you a chance to reflect on your overall experience as a student athlete here at NKU. I would have some standard survey questions but also invite your feedback on more general aspects of your experience.

I understand your time is precious these next several days as you undertake your final exams. I am available any time Tuesday, Wednesday, and Friday. I am also available early Thursday (before 9am), and later Thursday (after 3:30pm). If you can see your way to meeting with me, please suggest a time and we'll go from there. I would expect a maximum of 30 minutes for our conversation.

Thanks,
Dr. A
