If you answered no, please indicate why.	Please provide any additional comments you have regarding your experience as a student-athlete.
Negative moral here	Open-Ended Response if the coaches showed they cared and talked to their athletes 1 on 1 showing that they can come to them, players would put more effort. Felt like a useless slave here, that I had no say in what I could do. Lost interest in my sport after some
Still not a team?	My time at NMSU was everything I had imagined. NMSU's staff made my academics much easier and my team and coaches gave me unforgettable memories. I'm happy to be an Aggie!! Grateful beyond words
The majority of student athletes I've met here have either burned out or lost their love for the game within a semester of being here	I absolutely love my time here as an athlete and as a student. I love how friendly everyone is and how willing everyone is to help me. I am very blessed to have the opportunity to play here.
But depending on the sport.	Overall, NMSU offers solid student athlete services, but it is very obvious that certain teams (football) are prioritized above all other teams. Obviously I liked NMSU enough to stay once our team was cut, however, I think we could have used
still bitter about the team being cut	Maybe don't cut your good teams to save a buck in the future? People still tell me how upset they are for us. Just saying. didn't last long but life comes at you fast I guess
No equestrian team comparable resources	Football team was priority the rest of the teams we're next. I am grateful for being able to be apart of the NMSU student-athlete program. I have been able to experience things that the average student has not and I have made memories that I will forever value and appreciate. Thank you for an unforgettable 4 years! Some of these survey questions were difficult to answer because they were very situational and without being able to explain my reasoning I don't know if I answered them as effectively as possible
All I know are people from big cities	Being an track athlete that has been here for 5 years, I think the track program is headed in the right direction. We have a lot of work to go but we now have the coaches to help us succeed and that makes me incredibly happy to be a part Loved my experience at NMSU, all staff made my transition into collegiate sports great!
personal reasons N/A	I do not think I would have participated in athletics here at NMSU because the coaching staff shows favoritism far too often and does not know how to communicate to every athlete, especially if that athlete has not done well in a competition There is little support for athletes who are struggling mentally and with personal issues. I was able to find people to help me outside of nmsu. It was worth all of the blood sweat and tears! I would do it again in a heartbeat and I'm very fortunate. I loved this experience!
The school did not do everything they could to save my sport Not a friendly team or coaching staff	Regarding the section where I was rating the coaching staff. The current staff is great and has encouraged me and the other athletes to succeed in track, but also in their academic careers. The head throwing coach prior to Coach Reynolds Good support from athletic office coaches and other staff thanks for the time and opportunity to be a student athlete here at nmsu
Not for golf, nor for academia. Lack of school spirit in student body. Weight Training staff could care less about Men's golf which is ridiculous when we have to wake up at 5:30 AM for a workout. Coach Francis was by far the only strength coach to show that she cared about us. Golfers are athletes too.	Best experience ever I loved my time at NMSU especially as a student athlete! Grow players. Develop them. Dirks has all the knowledge in the world, he needs to recruit guys who gel well and compete together. Kids like ██████ should never be recruited. Way too much drama on this team, thankful that I'm done It was cool
Because my experience here	I am very thankful with my Coach Jackie Booth, with NMSU, and with all the staff from this school for giving me the opportunity to come here and represent such a great school by playing such a great sport (golf). I had the best 5 years of my life Thank you :) I had an amazing experience here at NMSU and I'm glad I choose this institution. My coaches and teammates were amazing people and I wouldn't choose anyone else to be by my side through my journey. Overall, the athletic department is run very well and takes athletics seriously. But there is some favoritism shown towards certain sports (usually Men's) Once in a lifetime experience I have no regrets. If I had to do it all over again, I wouldn't change a thing. Thanks State! You've been great!
	None The other student athletes became good friends and that's what made the experience so good. It was a good sense of community

to be an Aggie and giving me the experiences, memories and friendships that will last a lifetime.
