How can Prairie View A&M University better communicate rules to student-athletes? On what subjects should more information be provided?

They did a good job in these areas.

ATHLETIC PROGRAM

Rate your athletic experience at Prairie View A&M University? (1Low-5 High) 2

Why did you decide to participate in athletics at Prairie View A&M University?
I was recruited

Did you achieve your goals? If so, what factors contributed to the achievement of your goals?
Not really.

What are your suggestions to improve the athletic experience at Prairie View A&M University?
I would say put more effort into connecting with the players on a personal level, have a balance between the business aspect and the personal aspect.

Was there a time during your athletic career at Prairie View A&M University you felt that the safety of you and/or your teammates was compromised? Please explain.
No.

Were your needs as a minority and/or woman participating in intercollegiate athletics identified (not identified) and met (not met)? Where can Prairie View A&M University Women's Basketball make improvements in this area?
Yes.

What is your opinion of your off-season conditioning program? My first year there was none, and this season (although I'm not participating) it looks pretty productive to those participating.

Name one thing about your experience at Prairie View A&M University that you **would not** change.

The mandatory informational meeting on things like rape, drugs, etc.

Name one thing about your experience at Prairie View A&M University that you **would** change.

Probably the consistency of the coaches and the overall organization of the administration / University staff.

What advice would you give to an incoming freshman that will be a student-athlete?

Make sure you stay focused, keep your confidence high no matter what anyone says about you, and don't be afraid to be different.

If you wish to add anything else, please attach a separate sheet of paper or write on the back of this questionnaire. Thank you for your time and valuable input.
