1	Our "head coach" was really only there for a month but her practices were not really effective and she asked about personal things that were not professional or necessary.	5/12/2019 9:12 PM
2	do better	5/8/2019 4:13 PM
3	Coach Mary runs our team and should be promoted. Coach B is nice and means well but is not respected by her players and thus will never be a successful head coach.	5/8/2019 12:18 PM
4	That the head coach remains consistent and is able to get the team to the next level	5/7/2019 8:43 PM
5	I would like a Head Coach that can help us get better, and can be present for the full year.	5/7/2019 4:33 PM
6	does not get enough credit for her excellence as a coach	5/7/2019 3:57 PM
7	Hire a coach for jumps	5/7/2019 3:36 PM
8	I am grateful to Coach Copeland for the opportunities that I have been presented	5/7/2019 3:10 PM
9	More attentive, doesn't pay attention during some races. Tends to fall asleep during some practices.	3/19/2019 4:02 PM
10	being a mentor for her players	12/11/2018 8:45 PM
11	My performance has been inhibited by our coach. She is inconsistent with the standards she holds for the team and allows for people to slip by not doing their work. She does not have the players best interest at heart. She is unapproachable and does not provide proper feedback when I and my teammates are trying to improve our play. Does not light a fire under our team when we are down	12/11/2018 3:44 PM
12	I am a coachable player but havent been coached. Our coach is irrational and very very very unpredictable. Holds different people to different standards and expects different things at different times. She doesn't have interest in the player as a person and it's unapproachable because she has no emotion.	12/11/2018 3:43 PM
13	None.	12/7/2018 6:47 PM

3	The assistant coaching staff, coach Mary and coach Gamache, are the only reason this program has any sort of success. Coach Mary works so hard for all of us and does pretty much everything coaching wise. She should be promoted to associate head coach immediately so she can make the decisions for our team.	5/8/2019 12:21 PM

11	Our assistant Jenna is great. She's the best coach ive had since being here, and one of the best coaches i've had as a player. I look to her for guidance because she has clear and concise thoughts, and is emotionally predictable and consistent.	12/11/2018 3:45 PM
12	Assistant Coach Tony Bassett should be promoted to Head Coach.	12/7/2018 6:47 PM

1	Does not pay attention to mid/distance groups. Sits in his office in the dark while we lift before track comes in. Yells at us when we do things wrong but we were never taught the right way. We are expected to come early to lift before the rest of track but then are rushed so track can take the racks. We should all lift together we are a team, other teams are bigger and manage just fine. We are yelled at when we are late but that isn't our fault. The coaches need to communicate more.	5/7/2019 1:56 PM

1	There have been way too many issues with the tennis team. There are too many to actually list here. Most importantly, a Coach that can be there for us, help us get better, stay for the whole year. Spring break has been an issue, and we really want to have a training trip because this is a great way for the team to bond and make sure that we get better while in season.	5/7/2019 4:44 PM
2	Shocked to see how poor the quality of the men's soccer program was. By no means is it in any way a "professional" like environment. We reviewed film once for 20 minutes the entire year. Were not coached properly in game. Starters never practiced because of game timing. Injured players didn't receive proper help/treatment (ask all players who have been injured at any time.) we don't even have someone who is there to film games for us (injured players or ineligible players are used to film from a regular camera in a dangerous setting on the sideline). Goalies trained the exact same every single day. Most people I've talked to on this team say "I have only went down hill in my play of game and it's mainly [redacted] fault) Really just shocked at what I thought I was coming into vs. what the reality of this program is. Coach [redacted] is a great coach, sees something in all players, and was most beneficial to our success aside the players on the field. Hope you get a hold of this message and are able to further analyze and make improvements.	12/7/2018 6:59 PM
