1	I was called a fucking idiot, told I was weird and the head coach said he did not like me in front of the whole team. Multiple times the coach told players he could care less about them. Treated certain individuals far better. I did not even get to participate in practice due to not being valued. The coaching staff as a whole put no time and effort into me and could've cared less about me. Easily the worst coaching staff I have ever been a part of, it was embarrassing that I had to be under their "coaching". Because of what the coaches said verbally and not investing anything in me I hated showing up to the field everyday.	7/19/2019 2:36 PM

2	Multiple times coaches be littled people verbally, and the coaching staff only cared about a few people. I hated being part of the team as they recruited the wrong types of people to go along with such a horrendous coaching staff. Eyes really would be opened if players really told what was said to us. I hope that nobody has to endure a freshman year anything close to mine. There is a reason so many players transferred. Coach [REDACTED] hands down will be the worst coach I will ever have. I do not have one good thing to say about him.	7/19/2019 2:45 PM
