Describe the interpretive request A baseball student-athlete was enrolled in six hours in his final semester of his program and ended up repeating courses that he had already taken. He was advised through his on campus advisor that he, "just needs 6 credits to graduate. 3cr UD CJ any and 3 any level elective". The student-athlete enrolled in 6 hours of courses that he had already taken. The discrepancy was discovered when grades came out at the end of the semester and he had earned zero hours. Our interpretation request is if he would still have been eligible to utilize the exception of bylaw 14.2.2.1.3 in this scenario.
