## Case Summary

**Specific Case Information**

Describe the interpretive request

A men's track and field student-athlete would like to compete in an indoor meet (cones). The SA in question, exhausted his eligibility in indoor at the conclusion of the Spring 2018 season. However, he has 1 year of eligibility remaining indoors. The event (cones) is part of the USATF Championship Series. In order to qualify for the meet and/or participate, you have to be invited and have a qualifying mark/ time. The competitors consist of both amateur and professional student-athletes, include some college student-athletes. The SA, \_\_\_\_\_ was invited based on his qualifying mark and he will be running unattached. USATF will pay for his expenses (transportation, room, and board) for the top four competitors in each event. Currently, \_\_\_\_\_ is ranked 1st in the 60 meter dash. In addition, prize money and medals will be presented.

Provide the conference analysis of the interpretive request.

Provide the national's analysis of the interpretive request.
