Coaches and Staff –

It is permissible for prospective student-athletes and current student-athletes to win a promotional contest and prize giveaways during Late Night as long as the contests are open to the public, prospects or student-athletes are not specifically selected as participants, and their requirement for winning the contest is the same as for the general public.

**12.5.2.3.3 Promotional Contests.** Receipt of a prize for winning an institutional or noninstitutional promotional activity (e.g., making a half-court basketball shot, being involved in a money scramble) by a prospective or enrolled student-athlete (or a member of his or her family) **does not affect his or her eligibility, provided the prize is won through a random drawing in which all members of the general public or the student body are eligible to participate.** (Revised: 1/9/96 effective 8/1/96, 3/25/05, 6/12/07)
